Categories: [kanban-accessories](#), [wire-shelving-accessories](#)

PRODUCT DESCRIPTION

The LogiQuip patented Kanban Dividers create a Kanban Trigger when the caregiver accesses the safety stock creating a visual cue to re-stock supplies. Building on our Fine Mesh Basket Shelving Kanban Divider Design, a Kanban Adaptor (Patent Pending) has been added to this kit that allows for use of the Kanban Dividers on our LQS Flat Wire Shelving.
