PRODUCT DESCRIPTION

LogiQuip's Complete Wire Shelving Kits take our Standard Kits to the next level with the addition of a Dust Cover and Full-Length Label Holders. Building on the benefits of our Standard Kits, the Dust Cover is placed on the bottom shelf for easy cleaning of dust and debris that falls through the shelving. The addition of Label Holders allows you to efficiently organize all stored items for easy access. Each cart can hold a maximum of 750 pounds and are ideal for storing items nearly anywhere within your facility.
