

# Double-Sided DISTRIBUTION CARTS

LogiQuip's **Double Sided Distribution Carts** are designed for storage and transport. With a strong, lightweight **Frame**, heavy-duty 6-inch **Casters** (two with swivel and two with brake), and **ParWall Basket Shelving**, these **Carts** are built for high-capacity distribution across your facility.

## HIGH CAPACITY

With a sturdy Aluminum and Stainless Steel double-sided **Frame**, LogiQuip's **Distribution Carts** leverage our high capacity **ParWall Basket Shelving**. **ParWall Fine Mesh Basket Shelving** ensures even your smallest items can be easily stored and transported to their end location.

## PARWALL BASKETS

LogiQuip's **ParWall Fine Mesh Basket Shelving** can store up to 40% more supplies in the same space as a **Two-Bin System**\*. **ParWall Basket Shelving** is fully adjustable and can be hung flush to the **Frame** or at an angle for easy access to the items on the top shelf.

\*Up to 40% space savings when comparing the 2436CH LQS Flat Wire Shelf with **Two-Bin System** to PRRG2436 **ParWire Basket Shelf** with **Fine Mesh Dividers** (see images below).

## MAX WEIGHT CAPACITY

Built to distribute large quantities of supplies, each 36", 48", 66", and 72" wide LogiQuip **Distribution Cart** can hold up to 500 pounds, with the 18" wide **Distribution Cart** maxing out at 400 pounds.

## LIMITED 5-YEAR WARRANTY

LogiQuip products are covered by a **Limited 5-Year Warranty**. Visit [LogiQuip.com/Warranty](https://www.logiquip.com/Warranty) for more details.
