

SELECT QT® CARTS ARE IN-STOCK NOW!

When an urgent need arises, LogiQuip's Rapid Ship Program offers a variety of in-stock products that are ready to ship, including our QT Standard and Narrow Procedure Carts. With a variety of cart sizes and Accessories in-stock, QT Carts can be customized to meet your needs quickly. For more information contact our Customer Support Team at (800) 665-3760 or email us at customerexperience@logiquip.net.

STANDARD QT® CARTS

Our Standard QT Cart can be equipped with a Key Lock, eLock (Electronic Lock), or Proximity Lock for secure storage. These general use carts are great for storing products in all patient areas and have ABS Top Surfaces that are light and easy to clean. All Standard QT Carts have a Sliding Table Top Extension, perfect for bedside use, with a maximum load of 17 pounds.
