WHY LOGIQUIP®?

Healthcare exclusive since 1992, LogiQuip's **Inventory Management Solutions** are designed for Healthcare Professionals looking for a better way to manage supply chain tasks. With **Expert Advice**, **Innovative Solutions**, and **360° Service** that doesn't stop after the sale, LogiQuip's sole purpose is to ensure Healthcare Professionals have the supplies they need when they need them. Partnering with you to design and implement the right solutions, we give you time back to focus on what's important, Patient Care.

EXPERT ADVICE

With an in-depth understanding of the industry and a focus on **Infection Control** and **Lean Processes**, we partner with you to ensure we design the right solutions for you.

INNOVATIVE SOLUTIONS

Designed with an eye on the horizon, LogiQuip has **Innovative Solutions** that evolve with your facility. Our flexible and efficient options help to ensure you have the supplies you need when you need them.

360° SERVICE

LogiQuip's experienced **Sales Representatives** and **Award-Winning Customer Support Team** provide unparalleled service before, during, and after the sale.

LogiQuip is committed to fulfilling customer orders as quickly as possible which is why we have hundreds of products in stock, ready to ship every day. Please contact LogiQuip's Customer Experience Team or your Sales Representative to learn more.

LET US DO THE HEAVY LIFTING

WITH LABOR SHORTAGES AND THE EVER-INCREASING DEMAND TO DO MORE WITH LESS,

the **LogiQuip Services Team** can help to decrease that burden with turnkey solutions to help ensure you have the supplies you need when you need them.

PROJECT MANAGEMENT

From our initial meeting with you through implementation, a LogiQuip **Services Team Member** will be assigned as your **Project Manager**, working with you every step of the way. Your **Project Manager** will serve as your single point of contact during the project life cycle. Together we will develop and implement project milestones until the work is complete. Contact your **Sales Representative** or call **(800) 665-3760** for more information.

ON-SITE ANALYSIS

Working with your LogiQuip **Representative**, an on-site analysis will be done to ensure that the **Project Manager** has a complete understanding of your current environment. During our on-site analysis we will review your current state, identify gaps, and align on the goals of the project.

PLANNING

Using a mix of innovative products, Lean principles, tried and true methods, and out of the box thinking, LogiQuip will provide a holistic plan with turnkey solutions to minimize downtime while decreasing your storage footprint and increasing PAR levels.

INSTALLATION & CONVERSION

LogiQuip is dedicated to providing on-time delivery, efficient installation, and supply conversion to minimize down time and time on site to get you up and running as quickly as possible.

ONGOING SUPPORT

With the project complete, we want to help you sustain the changes that have been made. With **Annual Inventory Reviews, Preventative Maintenance Plans**, and **Field Service** for in warranty and out of warranty repairs, we have you covered to keep things running smoothly.

LEAN SUPPLY MANAGEMENT

With healthcare costs increasing dramatically and staffing shortages on the rise, eliminating waste from your facility's supply chain has never been more important. **Lean Supply Management** can solve many common supply chain issues. LogiQuip storage solution products and services leverage **Lean** principles including **Kanban Pulls** to take inventory management to a system-driven solution that helps to streamline processes and reduce supply chain costs.

ON-SITE ANALYSIS

A LogiQuip Sales Representative will partner with you to do an **On-Site Analysis** to better understand your needs and goals. Our unique storage products combined with this expert **On-Site Analysis** and **CAD Design Services** can nearly double storage capacity or significantly reduce the storage footprint for similar inventory items. The results are effectively maximized space and inventory.

WORK FLOW MAPPING & OPTIMIZATION

During your **On-Site Analysis**, your Sales Representative will **Map** your current processes and origination structure to identify and eliminate waste to optimize your work flow. In addition, LogiQuip's **CAD Design Process** can assist with visualization of current and ideal state of PAR locations throughout your facility.

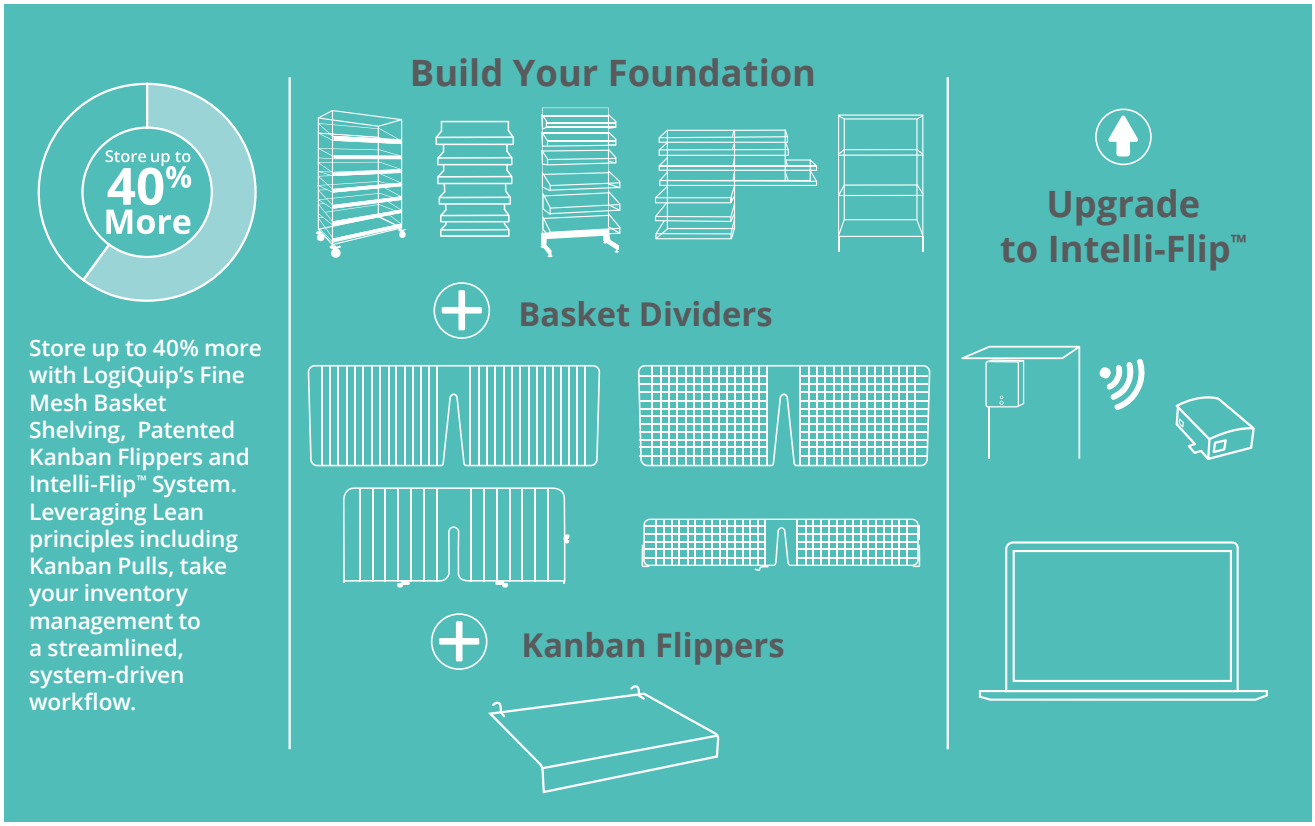
LEAN & CLEAN INVENTORY STORAGE

Plastic storage bins are widely used but accumulate dirt, dust and debris. Logiquip **Fine Mesh Basket Shelves** eliminate dirt and debris entrapment to virtually eliminate the need for cleaning maintenance.

KANBAN SYSTEMS

Implementing **Lean** inventory pull management with **Kanban Triggers** can solve many common supply problems: hoarding, stock outs, product expiration, excessive PAR levels, unorganized supply storage and clinician supply chain involvement.

LogiQuip has developed several accessories for our product lines including our **Kanban Flippers** and **Intelli-Flip™ System** that help ensure supplies are available when and where they are needed to enable smooth, efficient workflows.



BUILD YOUR FOUNDATION

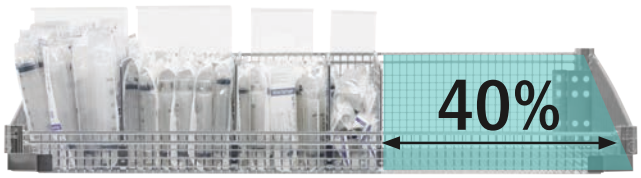
LogiQuip® **ParWire®** and **ParWall®** with **Fine Mesh Basket Shelf** design, and **LQS Wire Shelving** help to increase storage capacity when using our unique **Kanban System**. Ideal for storage of even your smallest items, our **Fine Mesh Basket Shelving** comes in a variety of sizes and can be **Frame**, **Post** or **Louvered Panel** mounted for easy customization. Pair our **Fine Mesh Basket Shelving** or **LQS Wire Shelving** with our patented **Kanban Flippers** and **Intelli-Flip™ System** to create a **Lean**, system-driven process that helps reduce supply chain costs and eliminate stockouts.

BENEFITS OF FINE MESH BASKET SHELVING

- Higher capacity than **LQS Flat Wire Shelving**
- More SKU's with higher PARS
- No lost space on **Basket Shelf** with wire **Dividers**
- Eliminates plastic **Bin** maintenance
- Total visibility of inventory
- **Fine Mesh Basket** design allows debris to fall through the shelf vs. the traditional plastic **Two-Bin System**
- Compatible with **Kanban Flippers** and **Intelli-Flip™**

2436CH - LQS FLAT SHELF LOADED
WITH PLASTIC 2-BIN SYSTEM

VS.



PRRG2436 - PARWIRE FINE MESH BASKET
WITH DIVIDERS & KANBAN FLIPPERS

PARWIRE®

- 18" or 24" deep
- 24", 36", 48" or 60" wide
- Compatible with 1" posts
- **ParWire Basket Shelves** come in **Standard**, **Slanted**, and **Glide**
- Available in **Kits**, or can be customized and paired with **LQS Flat Wire** and **Basket Shelves**

BUILD YOUR FOUNDATION

PARWALL® FINE MESH BASKET SHELVING

LogiQuip's **Freestanding ParWall Systems** are designed with a heavy-duty steel frame that allows maximum visibility and can be **Single-** or **Double-Sided**. The **Slots** are on 1-inch centers allowing users to configure **Baskets** to fit any need. Using the special B**rackets** allows the placement of a **Slanted Basket** on top for increased visibility and easy access.

- Full width **Basket Shelves** 36" or 48"
- Full depth **Basket Shelves** of 12" or 18"
- Mobile or Stationary
- Accepts **Standard** and **Slanted Fine Mesh Basket Shelving**

LEAN WALL FINE MESH BASKET SHELVING

LogiQuip's **Lean Wall System** is more flexible than **Louvered Panels** since it allows you to plan around obstructions on the wall such as fire extinguishers outlets, vents, and more. The **Lean Wall System** can be 12" or 18" deep and comfortably accommodate up to seven (7) **Baskets** vertically. It can accept **Slanted Baskets** for easier access. **Bin Rails** are available for **Akro-Style Bins**, **Tilt Bins**, **Pegs**, and **Spikes**. Maximum weight load is 50 pounds per **Basket**.

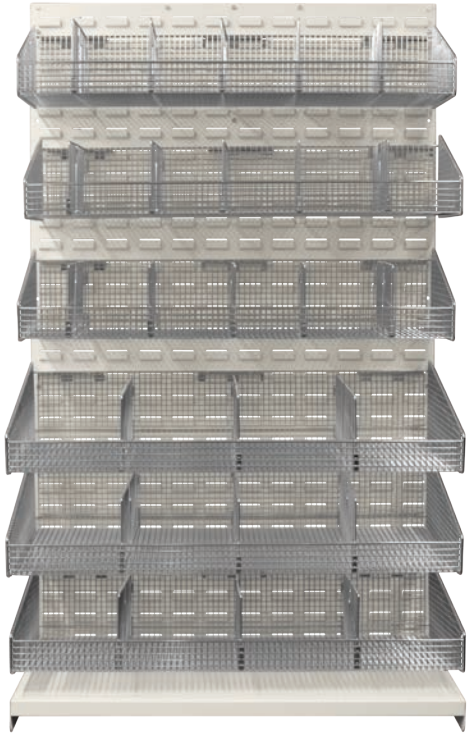
- 12" or 18" deep
- 18", 36" and 48" wide
- Mounted on ¾" frame for flexibility to work around outlets, vents, etc.
- Accepts **Standard** and **Slanted Fine Mesh Basket Shelving** as well as **Akro-Style Bins**, **Tilt Bins**, **Pegs**, and **Spikes**

BUILD YOUR FOUNDATION

LEAN WALL FINE MESH BASKET SHELVING

ParWall® on **Louvered Panels** keeps products off the floor, allowing utilization of various accessories. Using **ParWall® Baskets** on **Louvered Panels** increases storage capacity over plastic **Bins** by increasing the depth, removing wasted space between **Bins**, and maximizing the lane capacity.

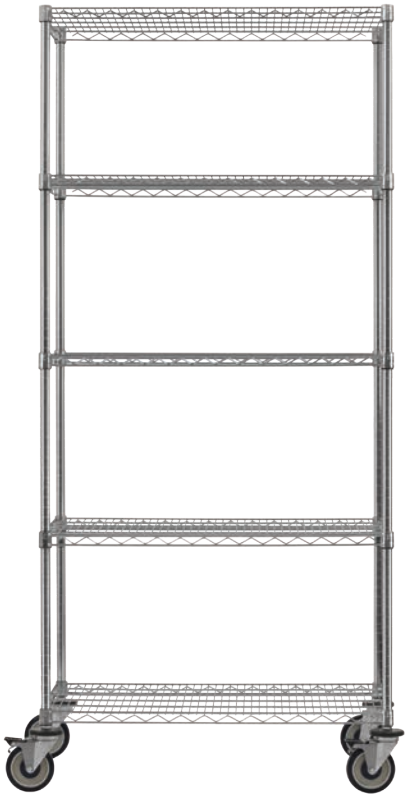
- Accommodates six (6) **Baskets** vertically
- 12” or 18” deep
- 18”, 36” and 48” wide
- Accepts **Standard** and **Slanted Fine Mesh Basket Shelving** as well as **Akro-Style Bins**, **Tilt Bins**, **Pegs**, and **Spikes**



LQS FLAT WIRE SHELVING

LogiQuip’s Standard (LQS) Line of **Wire Shelving** is anything but standard. **LQS Wire Shelving** and **Posts** begin with a carbon steel core that is double chrome plated for strength and durability that lasts. With a wide variety of configurations available to meet any of your organizational needs, our **LQS Wire Shelving Line** is flexible enough to be used virtually anywhere within your facility for easy and efficient storage.

- 18” or 24” deep **Shelves** and heavy-duty **Basket Shelves**
- 24”, 36”, 48”, 60” and 72” wide
- **Mobile**, **Stationary**, **Enclosed**, **Dolly**, and **Security Carts**
- Capacity between 600-800 pounds, depending on **Shelf** size



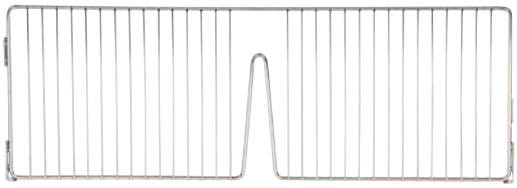
ADD DIVIDERS - FINE MESH BASKET SHELVING

Standard Lane Dividers and **Sub-Dividers** remove the need for the traditional plastic bins that collect dust and debris. By eliminating plastic bins, you gain storage space and remove the cleaning maintenance that comes with plastic bins.

STANDARD LANE DIVIDERS

Standard Dividers are used to divide **ParWall® Shelving** from front to back. They come in lengths of 12" or 18" x 6" high.

STANDARD LANE DIVIDERS		
MODEL	DESCRIPTION	W x H - IN.
DVW126	Front/Back Divider	12 x 6
DVW186-2	Front/Back Divider	18 x 6



MODEL # DVW186-2

FINE MESH LANE DIVIDERS

Fine Mesh Lane Dividers are used to divide **ParWall Shelving** from front to back, and allows for the storage of smaller items.

FINE MESH LANE DIVIDERS*

MODEL # SBDIV208CH

ADD KANBAN FLIPPER SYSTEMS

The LogiQuip® patented **Kanban Flipper System** creates a **Kanban Trigger** when the caregiver accesses the safety stock by lowering the **Kanban Flipper**, creating a visual cue to order more supplies. Available in 6" or 8.5" depths, our **Kanban Flippers** can be used with our **ParWire** and **ParWall Fine Mesh Baskets Shelves**, **LQS Flat Wire Shelves**, and **Waterfall Edge Shelves**. Use the **Kanban Adaptor** to attach the **Kanban Flipper** to **LQS Flat Wire or Waterfall Edge Shelving**.

KANBAN FLIPPERS WITH CLIPS & LABELS

- Four (4) **Label** sizes are available (see below)
- Use the 6" deep **Flipper** for 12" and 18" deep **Fine Mesh Basket Shelving** and 18" and 24" **LQS Flat Wire** and **Waterfall Edge Shelving**.
- Use the 8.5" deep **Flipper** for 24" deep **Fine Mesh Basket**, **LQS Flat Wire**, and **Waterfall Edge Shelving**
- Available as **Singles and** includes **REORDER Labels**

ADD LABELS

LogiQuip's robust **Label Holder** offering provides an easy solution for labeling supplies. In addition to making it easier for Healthcare Professionals to quickly find the supplies they are looking for, they can also help to streamline restocking. With several options and colors available, we have the right solution for you.

3-INCH LABEL HOLDERS

Compatible with our **ParWire®**, **ParWall®**, **ParStor®**, **LogiCell®**, and **LQS Wire Shelving**, our variety of 3-Inch **Label Holder** colors aid in color coding inventory, making supplies easier to find. These 1" W x 3" H **Label Holders** include a loop for attaching to **Shelves** or **Baskets**, come in bags of 50, and can be used on **ParWire Basket Shelving** and **LQS Shelving**. Choose from nine (9) colors; Blue, Red, Pink, Yellow, Orange, Green, Purple, Black, and White.

UPGRADE TO INTELLI-FLIP™

LogiQuip's patented **Intelli-Flip System** is a simple, intuitive tool that automates inventory management, **saving up to 50 minutes per PAR location per day***. This helps to ensure you have the supplies you need when you need them. **NO SCANNING. NO WEIGHT CALIBRATION. NO WIRES TO WORK AROUND.**

SIMPLE & RESPONSIVE

An **Intelli-Flip Monitor** is attached to each **Kanban Flipper**. When the caregiver has used all of the supplies in the first bin, they simply lower the **Kanban Flipper** to access supplies in the second bin, and a signal is sent to the **Portal** that inventory needs to be replenished. **No scanning required.**

INTELLI-FLIP PORTAL

Track inventory, velocity trends, days on hand, stock levels, and system status updates on Monitor function through a secure **Portal** on **Intelli-Flip.net**. **No need to go to the PAR location.**

ERP INTEGRATION

Easily create orders with **ERP Integration**. **Intelli-Flip** can be integrated into your **ERP System** to automate ordering, reducing stock-outs and expired products.

INTELLI-FLIP™ CONNECT

Intelli-Flip Connect is an exclusive feature that allows the system to move to a cellular connection if the Wi-Fi signal is lost. This helps to ensure you never lose information.

IMPLEMENTATION

LogiQuip has teams of experienced professionals that will install and set-up the **Intelli-Flip System**, allowing you to experience the benefits of the system quickly!
