# WHY LOGIQUIP®?

Healthcare exclusive since 1992, LogiQuip's **Inventory Management Solutions** are designed for Healthcare Professionals looking for a better way to manage supply chain tasks. With **Expert Advice**, **Innovative Solutions**, and **360° Service** that doesn't stop after the sale, LogiQuip's sole purpose is to ensure Healthcare Professionals have the supplies they need when they need them. Partnering with you to design and implement the right solutions, we give you time back to focus on what's important, Patient Care.

## EXPERT ADVICE

With an in-depth understanding of the industry and a focus on **Infection Control** and **Lean Processes**, we partner with you to ensure we design the right solutions for you.

## INNOVATIVE SOLUTIONS

Designed with an eye on the horizon, LogiQuip has **Innovative Solutions** that evolve with your facility. Our flexible and efficient options help to ensure you have the supplies you need when you need them.

## 360° SERVICE

LogiQuip's experienced **Sales Representatives** and **Award-Winning Customer Support Team** provide unparalleled service before, during, and after the sale.

LogiQuip is committed to fulfilling customer orders as quickly as possible which is why we have hundreds of products in stock, ready to ship every day. Please contact LogiQuip's Customer Experience Team or your Sales Representative to learn more.

WITH LABOR SHORTAGES AND THE EVER-INCREASING DEMAND TO DO MORE WITH LESS, the **LogiQuip Services Team** can help to decrease that burden with turnkey solutions to help ensure you have the supplies you need when you need them.

## PROJECT MANAGEMENT

From our initial meeting with you through implementation, a LogiQuip **Services Team Member** will be assigned as your **Project Manager**, working with you every step of the way. Your **Project Manager** will serve as your single point of contact during the project life cycle. Together we will develop and implement project milestones until the work is complete. Contact your **Sales Representative** or call **(800) 665-3760** for more information.

## ON-SITE ANALYSIS

Working with your LogiQuip **Representative**, an on-site analysis will be done to ensure that the **Project Manager** has a complete understanding of your current environment. During our on-site analysis we will review your current state, identify gaps, and align on the goals of the project.

## PLANNING

Using a mix of innovative products, Lean principles, tried and true methods, and out of the box thinking, LogiQuip will provide a holistic plan with turnkey solutions to minimize downtime while decreasing your storage footprint and increasing PAR levels.

## INSTALLATION & CONVERSION

LogiQuip is dedicated to providing on-time delivery, efficient installation, and supply conversion to minimize down time and time on site to get you up and running as quickly as possible.

## ONGOING SUPPORT

With the project complete, we want to help you sustain the changes that have been made. With **Annual Inventory Reviews**, **Preventative Maintenance Plans**, and **Field Service** for in warranty and out of warranty repairs, we have you covered to keep things running smoothly.

# LOGIQUIP® PHARMACY PRODUCTS

LogiQuip® offers several **Pharmacy Carts** and **Work Tables** ideal for use in sterile mix areas. **USP <797>** and **USP <800>** **Compliant Pharmacy Carts** and **Work Tables** are non-permeable, non-shedding, and easy-to-clean. These **304 Stainless Steel** products are resistant to corrosion due to the use of disinfecting cleaners; allowing you to clean multiple times a day without damage\*. Ideal for use in a clean room, our **Pharmacy Carts** and **Work Tables** can be used separately or together to maximize space efficiency.

\*See the LogiQuip Cleaning Guide for cleaning instructions.

## USP <797>/USP <800> COMPLIANT

LogiQuip **Pharmacy Carts** and **Work Tables** meet the **USP <797>** and **USP <800>** standards.

**USP <797>** are standards developed for the preparation of compounded sterile medications to help reduce potential contamination, infection, or incorrect dosing.

**USP <800>** outlines requirements and responsibilities for personnel handling hazardous drugs to help minimize the risk of exposure of healthcare personnel, patients, and the environment.

## 304 STAINLESS STEEL

**Pharmacy Carts** and **Work Tables** are constructed from medical grade **Stainless Steel** making them durable and easy-to-clean. All-welded construction creates seamless connection points that minimize cracks and crevices where germs can hide.

## COMPLEMENTARY PRODUCTS

**Pharmacy Carts** and **Work Tables** can be used on their own or together to maximize usable space. **Work Tables** are designed to fit **Short Pharmacy Carts** underneath to make your space as efficient as possible.
