

Let LogiQuip SERVICES TEAM

DO THE HEAVY LIFTING

WITH LABOR SHORTAGES AND THE EVER-INCREASING DEMAND TO DO MORE WITH LESS, the LogiQuip Services Team can help to decrease that burden with turnkey solutions to help ensure you have the supplies you need when you need them.

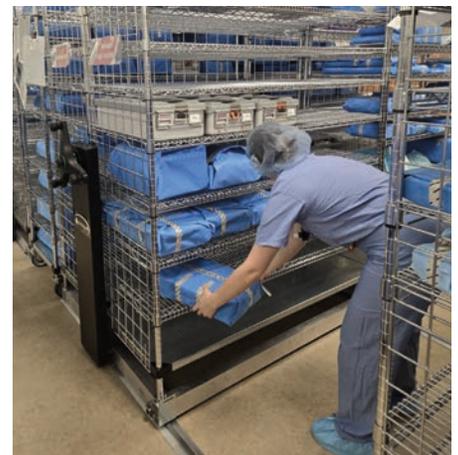

PROJECT MANAGEMENT

From our initial meeting with you through implementation, a LogiQuip Services Team member will be assigned as your Project Manager, working with you every step of the way. Your Project Manager will serve as your single point of contact during the project life cycle. Together we will develop and implement project milestones until the work is complete. Contact your Sales Representative or call **(800) 665-3760** for more information.

ON-SITE ANALYSIS

Working with your LogiQuip Representative, an on-site analysis will be done to ensure that the Project Manager has a complete understanding of your current environment. During our on-site analysis we will review your current state, identify gaps, and align on the goals of the project.

PLANNING

Using a mix of innovative products, lean principles, tried and true methods, and out-of-the-box thinking, LogiQuip will provide a holistic plan with turnkey solutions to minimize downtime while decreasing your storage footprint and increasing PAR levels.

INSTALLATION & CONVERSION

LogiQuip is dedicated to providing on-time delivery, efficient installation, and supply conversion to minimize down time and time on site to get you up and running as quickly as possible.

ONGOING SUPPORT

With the project complete, we want to help you sustain the changes that have been made. With Annual Inventory Reviews, Preventative Maintenance Plans, and Field Service for in warranty and out of warranty repairs, we have you covered to keep things running smoothly.
