WIRE SHELVING

WHY LOGIQUIP®?

Healthcare exclusive since 1992, LogiQuip's **Inventory Management Solutions** are designed for Healthcare Professionals looking for a better way to manage supply chain tasks. With **Expert Advice**, **Innovative Solutions**, and **360° Service** that doesn't stop after the sale, LogiQuip's sole purpose is to ensure Healthcare Professionals have the supplies they need when they need them. Partnering with you to design and implement the right solutions, we give you time back to focus on what's important, Patient Care.

EXPERT ADVICE

With an in-depth understanding of the industry and a focus on **Infection Control** and **Lean Processes**, we partner with you to ensure we design the right solutions for you.

INNOVATIVE SOLUTIONS

Designed with an eye on the horizon, LogiQuip has **Innovative Solutions** that evolve with your facility. Our flexible and efficient options help to ensure you have the supplies you need when you need them.

360° SERVICE

LogiQuip's experienced **Sales Representatives** and **Award-Winning Customer Support Team** provide unparalleled service before, during, and after the sale.

LogiQuip is committed to fulfilling customer orders as quickly as possible which is why we have hundreds of products in stock, ready to ship every day. Please contact LogiQuip's Customer Experience Team or your Sales Representative to learn more.

WITH LABOR SHORTAGES AND THE EVER-INCREASING DEMAND TO DO MORE WITH LESS, the **LogiQuip Services Team** can help to decrease that burden with turnkey solutions to help ensure you have the supplies you need when you need them.

PROJECT MANAGEMENT

From our initial meeting with you through implementation, a LogiQuip **Services Team Member** will be assigned as your **Project Manager**, working with you every step of the way. Your **Project Manager** will serve as your single point of contact during the project life cycle. Together we will develop and implement project milestones until the work is complete. Contact your **Sales Representative** or call **(800) 665-3760** for more information.

ON-SITE ANALYSIS

Working with your LogiQuip **Representative**, an on-site analysis will be done to ensure that the **Project Manager** has a complete understanding of your current environment. During our on-site analysis we will review your current state, identify gaps, and align on the goals of the project.

PLANNING

Using a mix of innovative products, Lean principles, tried and true methods, and out of the box thinking, LogiQuip will provide a holistic plan with turnkey solutions to minimize downtime while decreasing your storage footprint and increasing PAR levels.

INSTALLATION & CONVERSION

LogiQuip is dedicated to providing on-time delivery, efficient installation, and supply conversion to minimize down time and time on site to get you up and running as quickly as possible.

ONGOING SUPPORT

With the project complete, we want to help you sustain the changes that have been made. With **Annual Inventory Reviews**, **Preventative Maintenance Plans**, and **Field Service** for in warranty and out of warranty repairs, we have you covered to keep things running smoothly.

LOGIQUIP® LQS WIRE SHELVING FEATURES & BENEFITS

LogiQuip's Standard (LQS) line of Wire Shelving is anything but standard. In addition to saving space, our LQS Wire Shelving and Posts begin with a Carbon Steel Core that is Double Chrome Plated for strength and durability that lasts. With a wide variety of configurations available to meet any of your organizational needs, our LQS Wire Shelving Line is flexible enough to be used virtually anywhere within your facility for easy and efficient storage.

CARBON STEEL CORE

All of LogiQuip's Wire Shelving and Posts starts with a Carbon Steel Core. This helps to ensure a strong, durable base for all of your storage needs.

DOUBLE CHROME PLATING

Each Carbon Steel Shelf and Post is Double Chrome Plated providing added strength. In addition to the smooth, bright finish that minimizes damage to stored items, Double Chrome Plating also helps to eliminate discoloration and peeling.

STRONG WIRE SHELVING

Strong Wire is used on all 36", 42", 48", 60", and 72" Flat Wire Shelves, allowing each shelf to hold between 600-800 pounds.

TWO-TRUSS SHELF DESIGN

LogiQuip's Two-Truss Shelf Design reinforces our 48", 54", 60", and 72" Shelves to provide added strength and support.

1-INCH ROUND POSTS

1-inch round Posts provide stability to the shelving unit. Compatible with all of our LQS Shelving, each Post is notched and numbered at 1" intervals for easy leveling of each Shelf.

UPGRADE WITH INTELLI-FLIP® SYSTEM

Our patented Intelli-Flip System combined with our Kanban Flippers with Adaptors, LQS Shelves and Baskets provides up-to-date inventory management. This powerful combination helps to reduce supply chain costs and stockouts.

LIMITED 5-YEAR WARRANTY

LogiQuip products are covered by a Limited 5-Year Warranty from date of receipt against defect in materials or workmanship under normal use and service, excluding Electronic Components, Cart Covers, Custom Products, LogiCell Tambour Doors, Label Holders, and Casters. During this period, LogiQuip will, in its sole discretion, repair defects in materials or workmanship that existed when the product was received or replace the product. Visit LogiQuip.com/Warranty for more details.

LQS ACCESSORIES

The LogiQuip® patented **Kanban Flipper System** creates a **Kanban Trigger** when the caregiver accesses the safety stock by lowering the **Kanban Flipper**, creating a visual cue to order more supplies. Available in 6" or 8.5" depths, our **Kanban Flippers** can be used with our **ParWire** and **ParWall Fine Mesh Baskets Shelves**, **LQS Flat Wire Shelves**, and **Waterfall Edge Shelves**. Use the **Kanban Adaptor** to attach the **Kanban Flipper** to **LQS Flat Wire** or **Waterfall Edge Shelving**.

KANBAN FLIPPERS WITH CLIPS & LABELS

- Four (4) Label sizes are available (see below)
- Use the 6" deep Flipper for 12" and 18" deep Fine Mesh Basket Shelving and 18" and 24" LQS Flat Wire and Waterfall Edge Shelving.
- Use the 8.5" deep Flipper for 24" deep Fine Mesh Basket, LQS Flat Wire, and Waterfall Edge Shelving
- Available as Singles and includes REORDER Labels

LQS ACCESSORIES – CART COVERS

CART COVERS

LogiQuip® **Carts Covers** are designed to keep your supplies clean from dust, dirt, and debris. **Cart Covers** are available in three materials; **Pro-Check Vinyl**, **400D Nylon**, and **200D Polyester**, 18 colors and a wide variety of sizes. Additional colors and custom sizes are available upon request.

AVAILABLE MATERIALS (FOR CART COVERS)

Pro-Check Vinyl is an antibacterial, anti-fungal, mildew resistant material that comes in nine colors.

400D Nylon is a high density durable fabric that is polyurethane coated and water resistant, yet is still light weight and will protect your carts from dust. There are 15 color choices for **400D Nylon Cart Covers**.

200D Polyester is an uncoated, dust cover fabric. Available in five colors, **200D Polyester** is a great alternative to **Nylon**.
