WHY LOGIQUIP®?

EXPERT ADVICE. INNOVATIVE SOLUTIONS. 360 SERVICE.

Healthcare exclusive since 1992, LogiQuip's Inventory Management Solutions are designed for Healthcare Professionals looking for a better way to manage supply chain tasks. With **Expert Advice**, **Innovative Solutions**, and **360 Service** that doesn't stop after the sale, LogiQuip's sole purpose is to ensure Healthcare Professionals have the supplies they need when they need them. Partnering with you to design and implement the right solutions, we give you time back to focus on what's important, Patient Care.

OUR SERVICES TEAM

WITH LABOR SHORTAGES AND THE EVER-INCREASING DEMAND TO DO MORE WITH LESS, the **LogiQuip Services Team** can help to decrease that burden with turnkey solutions to help ensure you have the supplies you need when you need them.

OUR SERVICES TEAM OFFERS:

- Project Management
- On-Site Analysis
- Planning
- Installation & Conversion
- Ongoing Support

PARWIRE® BASKET SHELving

PARWIRE BASKET SHELving

LogiQuip ParWire Fine Mesh Basket Shelving helps to increase storage capacity and allows for storage of even your smallest items. These strong and durable **Basket Shelves** come in a variety of sizes and are compatible with LogiQuip's 1-inch round Posts for easy customization.

ParWire Shelving
with Kanban Flippers
& Intelli-Flip® System

INTELLI-FLIP® SYSTEM

LEAN INVENTORY MANAGEMENT

LogiQuip's **Kanban System** offers a variety of inventory management solutions utilizing Lean concepts to help eliminate waste in PAR locations throughout the hospital. Our **ParWire®**, **ParWall®** and **ParStor®** lines provide high-density storage. When paired with our patented **Kanban Flippers** and **Intelli-Flip® System**, inventory management is taken to a system-based solution that helps to reduce supply chain costs and eliminate stockouts.

↓ Lower Flipper into the **DOWN** position for inventory to be replenished

↑ Move the Flipper into the **UP** position once supplies are re-stocked

PARWALL® SHELVING

PARWALL SHELVING

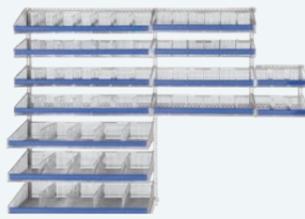

LogiQuip's **ParWall Systems** are designed to maximize storage space, provide high product visibility, and increase usable storage space. **ParWall Systems** can be **Freestanding (Mobile, Stationary)** or **Fixed (Lean Wall® or Louvered Panel)** to a wall. These **Frames** can accommodate eight (8) **Baskets** vertically and accept **Slanted Baskets** for easy access to supplies.

DRI-STOR DRYING CABINETS

INNOVATIVE DESIGN

The cost of an infection from an improperly cleaned and stored endoscope can be significant. LogiQuip's **Dri-Stor Series Scope Cabinets** help to manage that risk. Our **Dri-Stor Series** offers medical grade 304 stainless steel construction, **HEPA Filter** ventilation and **Scope Channel Purge** to meet strict standards. Upgrade with our **EndoTrack System** to control access to the cabinets as well as track the hanging time of the scopes. In addition, our modular design allows for easy installation and maintenance.
